

# FOUR STRONG WINDS VIDEO SING-A-LONG with MARY CHAPIN CARPENTER

Calling all folkies and Edmonton Folk Festival friends to come together in song and spirit, to keep the tradition alive!

## 1. Create your video

Sing on your own, sing with your family, sing with your pets, sing anyway you want, but be sure you sing along with Mary Chapin Carpenter ([click here for video and lyrics](#)) so that everyone is in the same tempo and key. Make sure you use **headphones** as you record and sing along to her version of Four Strong Winds. Also, that your recording has lots of light and that you are front and centre. Your beautiful voice is all we want, so please find a quiet and well-lit spot and do not use instruments. In other words, we want to see and hear you clearly.

**Please capture your video in 1080p HD and make the orientation horizontal or 'landscape'.**

## 2. Upload to YouTube

The next step is to upload your video to your own YouTube account. If you don't have an account you'll have to create one, as it's the best way for us to receive your video. Please give your video a title and a description.

**Spaces are limited, so be sure to upload your video as soon as possible!**

**To make sure your video remains private, set your video as 'unlisted'.**

## 3. Fill out the form

The sing-a-long will be posted on Sunday, August 9, 2020 in honour of the festival. Each video submission will be entered in a draw for a chance to win festival swag. Be sure to follow our socials for notifications.
